Official Diary

Monday, 2 July 1951

25X1

[redacted] called to say that heretofore he had supplied O/SO and this office with a list of prospective travellers. We agreed to limit this list in the future to a comparatively small number of top-level people.

Talked to Dr. Langer regarding special IAC meeting for NIE-32. He agreed that this could wait until regular meeting on Thursday, 5 July.

25X1

Talked to [redacted] about PRC procedure. He is still not satisfied with the regulation. After a brief talk with Mr. Dulles, it was decided that [redacted] and [redacted] would discuss the situation.

25X1

25X1

Talked to [redacted] in regard to the Advisor for Communications to the President. He fears that the Bureau of the Budget will nominate a conciliator and not a man of force who will really carry the ball. He is submitting a memorandum on this subject for the DCI.

Mr. Percy Johnson asked if he would be allowed to attend the ADs meetings. This has been cleared with Mr. Dulles and Johnson will attend.
